Indian Nations Live 2014!

Indian Nations Live (INL) is the premier live model horse show in Oklahoma! Indian Nations is also the oldest show in the state, having started back in 1980 in Charlene Marshall's back yard. The show is held at the Washington County Fairgrounds in **Dewey, OK (MapQuest directions to 1115 N. Delaware St., Dewey OK 74029)**. Dewey is in the northeast corner of Oklahoma, just north of Tulsa. Dewey is the home of the Tom Mix Museum, which is dedicated to the life of the cowboy screen legend, plus we have MANY antique stores for your shopping enjoyment!

INL 2014 is proud to be selected to be part of Breyer's **2014 Live Show Benefit Program**. The goal of the program is to help promote live showing and encourage new showers to participate. Indian Nations Live meets the requirements of this organization to qualify as a member show. This means that in the Open Division and Mini Division, the 1st and 2nd place equids will receive a NAN card in all qualifying NAMHSA classes. For more information on NAN or NAMHSA, go to www.NAMHSA.org

This show is open to any model horse shower, whether this is their first show or they have been showing for 20 years. The show will start at 8:30 am. The show hall will open at 7 am. We will break for lunch at noon, with the show resuming at 12:45. Lunch will be provided for a small fee, but you must reserve in advance. There will be the original Indian Nations Live show cake!! Commercial ribbons will be awarded 1st – 8th place in each class of the Open Division, and commercial rosettes for Champs & Reserves. The Charlene Marshall Memorial Mini Division has ribbons 1st - 6th and rosettes for Champs and Reserve Champs. The Kids' Division will have ribbons awarded 1st-6th place, with trophies awarded to Champs & Reserves in Halter & Performance sections. There is a photo center, with the INL logo in the background, for any shower to photograph their models with or without their ribbons.

Other features of the show include fabulous door prizes, and raffle items, and other special freebies. You can **Paint a Stablemates horse or Wind Dancers foal!**

Wild Horse Collectibles will be exclusively selling Breyers. Entrants are encouraged to bring retired models, tack, and other accessories to sell from their table.

Judges for Indian Nations Live 2014 are: Kat Jamison-Patnode-OF & CM Performance; Lori Batchelor-OF Halter; Sue Stewart-CM Halter; pending-Mini Division; Cassie Hayes-Kids' Division.

Rules for Indian Nations Live-Open Division:

- For the purposes of this show, a model entered in an **OF Halter or Performance** class is a plastic, china or resin model of any make in original factory finish, with undetectable touchups or repairs. A model entered in a **CM/AR Halter or Performance** class is any equid that has been altered in color, position, or texture, and includes Artist Resins. **ANY CLASS MAY BE SPLIT AS THE JUDGE SEES FIT.**

- For each class you will have a 3x5 card/paper with your model's name, breed, sex and your name/initials. The judge will keep the cards for the 1-8 placers in each class. You will also provide a new card for each model that is called back for Champion/Reserve (those that placed 1st or 2nd in each class). A string tag identifying your model would also be a good idea to prevent mix-ups. **PLEASE PRINT CLEARLY! IF I CAN'T READ IT, IT GOES ON THE OFFICIAL NAMHSA OFFICIAL RECORD AS WHATEVER I INTERPRET IT AS! TRY TO NAME YOUR MODEL THE SAME THING ON ALL ITS CARDS (YES, THIS IS ACTUALLY A PROBLEM). DO NOT FORGET TO PUT YOUR NAME OR INITIALS ON THE CARD, BACK OR FRONT (THIS IS A BIG ISSUE, PLEASE DON'T FORGET).**

- There is a limit of 8 models/horses per class per entrant. **You cannot enter the same model in another halter class by changing the breed or name. If this happens, the model will be disqualified.**

- Handlers are optional if you choose a Showmanship entry, and carts are optional if you have a harness entry. Halters are discouraged from being used in Halter classes.

- Performance classes may be split by type, or with or without rider where warranted. If you have more than one model appearing in a Performance entry, be sure it is clear which model is being judged.

- 3x5 cards or other means of explanations of your performance entries are extremely helpful to the judges, unless the entry is obvious or common. Appropriate obstacles/accessories are required for the trail classes. Explanations are also a good idea for unusual breeds in halter classes. Try to make the "explanation" as small as possible so it doesn't take up much table space. Please use an explanation card in Anything Goes, and the entry will be judged as a whole, so name your entry and put your name on the card.

- Any class will be split if the entries warrant.** The judge will let you know how a class will be split.

Kids' Division ~ Indian Nations Live, June 21, 2014

The Kids' Division is for showers who are 12 and under. It is designed to give the new shower an introduction to the wonderful world of live model horse showing. Halter classes will be judged first, then Performance classes, and last will be judging of the Fun classes. The Halter, Performance, and Fun classes are intended for original finish (OF) models, but customized (CM) models (including Artist Resins –AR) will be allowed.

The class list for the Kids' Division:

HALTER - original finish or customized, any make, any size

1. Pinto (any breed whose registry allows pinto coloring; pinto colors only; not pintoaloosa)
2. Appaloosa (any pattern of Appaloosa –not pintoaloosa; any color; any breed whose registry allows Appaloosa coloring)
3. Palomino (any breed whose registry allows palomino coloring; palomino color only)
4. Bay (any breed whose registry allows solid bay coloring)
5. Other Solid Colors (any breed whose registry allows solid coloring)
6. Other Colors (any breed whose registry allows roans, all-over dappled colors, white with freckles, and pintoaloosas)

Kids' Division Halter Champion/Reserve

PERFORMANCE - original finish or customized, any make, any size

7. Western Performance (Western Pleasure, Barrel Racing, Calf Roping, Trail, Reining, etc.)
8. English Performance (English Pleasure, Dressage, Jumping, Trail, etc.)

Kids' Division Performance Champion/Reserve

FUN CLASSES –original finish or customized, any make, any size

9. Mare/Foal – any mare and her foal
10. Stallion (Sire)/Foal – any stallion and his foal

Rules for the Kids' Division:

The Kids' Division is open only to showers age 12 and under. Because of the restriction of only showers age 12 and under, the Kids' Division classes are NOT NAMHSA-qualifying. No NAN cards will be given in the Kids' Division.

Ribbons will be awarded 1st – 6th place in each class. Small trophies will be awarded to the Halter and Performance Champion and Reserve Champion winners.

Each entrant will be assigned a table and 2 chairs. You may bring a table cover if you wish. Your models should be lined up on your table and ready to show by 8:30 am on show day. Each model needs to have a 3x5 card or similar sized piece of paper with the model's name, breed, sex, and your initials or name on the front. Please have a card for each class your model is entered in. You will place the card in front of the model when you set it on the judging table. It could also be a good idea to have a string tag on your horse's leg with your name or the horse's name on it for identification purposes (so no one picks up the wrong model when judging is finished). If your horse places in a class, the judge will take the card, writing the placing on it and putting it in an envelope. The cards will be used for compiling the results. If your model doesn't place, the card will remain with the horse when judging finishes. Please do not go to the judging table after a class is "closed", which means no more entries in that class may be brought to the table. The judge needs to work undisturbed. After the class is "pinned" (ribbons awarded), you will remove your model from the judging table. It is perfectly acceptable to ask the judge why your model did or did not place. If you get a 1st or 2nd place in a halter or performance class, keep the model and its ribbon handy. Those models will be called back for Champion & Reserve placing after all Halter & all Performance classes are judged. Take the model, its ribbon, and a new 3x5 card to the judging table when "call backs" are announced.

Foals may be entered in the Halter classes, but the entrant is more likely to have success showing adult models in these classes.

Halter classes will utilize the NAMHSA breed classification cross-reference to determine what breed goes in a particular class. The list will be available at the show or can be viewed in advance at <http://www.namhsa.org/forms/> and click on 2013 NAN Breed Cross Reference List. Do your homework when it comes to breeds and their allowed colors.

No question is a "dumb" question! Please ask the judge or a senior shower if you have questions.
